

fine custom screen printing

Approval, please read and sign to authorize production

Please review the artwork that appears on this document carefully. Check all spelling and verbiage for accuracy. Any spelling errors or changes to artwork after approval is signed will be corrected at customers expense. This may include additional art charges, film charges, screen charges, rush charges, labor expences and garment replacement. Please note that artwork or colors may look different depending on type of computer, monitor settings and software application used to preview art proofs. If you have any questions regarding the artwork displayed on this page please contact customer service BEFORE signing.

I have reviewed the artwork on this document and give my full approval to begin production.
