About Us...

Welcome to Your Laguna Woods Annex Mailing Center

Live Scan Fingerprint Service Provider
Live Scan Fingerprinting services at the Laguna Woods Annex Mail Center are provided by friendly, experienced, confidential and professional staff. We offer the latest Live Scan fingerprinting technology for capturing, processing, and submitting electronic fingerprints.

With Live Scan fingerprinting there is no ink and no mess. We roll your finger over a silicon pad, and your print is digitally recorded into a computer. The computer then encrypts and sends your prints to the appropriate law enforcement agency.

And don't forget fingerprinting service isn't just for you...it can be of great aid to law enforcement for your family members, including helping them better locate lost or missing children. After all, it's better to have it, and not need it....than need it, and not have it.

Live Scan fingerprinting is a quick and easy process that takes five minutes. Services are available Monday - Saturday during our normal business hours. Come in or give us a call; we welcome walk-ins.
