Award-Winning Candidate Experience

Beyond the basics of e-consent and mobile-optimized flows, GoodHire True Me helps candidates feel empowered rather than judged by the background check process.

White-Glove Customer Support

Home-grown Omaha “Goodies” help you navigate compliance, hiring deadlines and everything in between. Plus, your candidates get the same access and exceptional 5-star support you expect.

Flexibility for Any Size Business

Easily customized GoodHire employment screening fits into your existing processes, offloading the heavy lifting and simplifying hiring.

Highly Rated. Highly Recommended.

More than 35,000 businesses trust GoodHire to deliver uncompromised quality, speed, and accuracy every day, and our 95% customer satisfaction rating shows that we come through for them.

In-House Compliance Expertise

GoodHire experts take the guesswork out of FCRA rules and monitor the regulatory landscape for changes that might affect you and your candidates.

Innovative, Secure Technology

Intuitive web, mobile, and API solutions automate and streamline workflows, removing the need for paper files and increasing hiring efficiency and safety.

BACKGROUND SCREENING SERVICES

For Businesses Of All Sizes

SSN Trace & Resident Counties

Verifies names, aliases, and previous counties of residence based on candidate's Social Security number. This step validates that the candidate's SSN matches the legal name given and directs county-level criminal records searches.

Sex Offender List Search

Searches a multi-state sex offender registry that includes hundreds of thousands of offender records nationwide.

International Searches

Can include criminal records searches, education verification, or employment verification.

Domestic And Global Terrorist Watch List

Searches US government lists, including the FBI's Most Wanted and the Office of Foreign Assets Control (OFAC). Expand the search to include international terrorist watch lists, like the INTERPOL Most Wanted and the EU terrorist lists.

Motor Vehicle Records Search

Confirms that a candidate's driver's license is valid and checks for suspension or any driving-related violations.

Federal Criminal Databases Search

Searches across the 94 US federal courts for violations of federal criminal law, such as tax evasion, fraud, embezzlement, identity theft, interstate trafficking, and kidnapping.

National Criminal Databases Search

Searches databases from all 50 states, including digitized records from Department of Corrections, Administrative Office of the Courts and county courts.

7-Year County Criminal Court Search

Professional court runners search at the county level for the most current and accurate records, particularly for counties where records have not been digitized.

Drug Screening: 4-Panel, 5-Panel, And 10-Panel Urine Tests

Screens for amphetamines, phencyclidine, cocaine, opiates, barbiturates, benzodiazepines, methadone, methaqualone, and propoxyphene and (optionally) marijuana.

Education And Employment Verification

Verifies attendance dates, majors, and degrees earned from US high schools, colleges, or universities and confirms employment dates, title, and salary, if available.

Professional License Verification

Verifies domestic professional licenses, including issue date, expiration date, credential title, and current status.

Employment Credit Check

Reviews candidate's financial history for notifications of civil judgments, tax liens, bankruptcies, unpaid bills from collection agencies, credit and payment history records, and other credit inquiries made.

“

Goodhire has a nice clean interface that is easy to use and gives me peace of mind that I am following EEOC and FCRA guidelines when requesting a background check.
