

D & M Striping

Thinking this text wraps around the circular logo frame with matching font

Est. 1982

Not sure what you would put in the background...leave it up to your expertise....

Obviously did a poor job cropping out the background of the paint machine...not 100% tied to the color of the machine....if you need to change the color ...I'm open to it.

Thinking of maybe having an asphalt parking lot here with yellow lines...perhaps the machine looking like it's painting a line
