

## ABOUT PASTOR JUMPER

**Pastor Ed Jumper** was born in Louisville, KY in 1965. He graduated from University of Kentucky with a BSME and Indiana Wesleyan University with a MBA. He completed his studies with a DMin degree from Newburgh Theological Seminary. Pastor Jumper has been married to his anointed and gorgeous wife for 10 years. They have three children, LJ, Anica, and Joshua. Pastor Jumper is thankful for the faithful support of his wife. He believes that a strong marriage is key to an effective ministry and he considers his wife is a gift from God. Pastor Jumper loves to preach the simple message of the Gospel of Jesus Christ. He believes that according to Romans 1:16, it alone is the power of God unto salvation to everyone who believes. Pastor Jumper also has a passion for outreach ministry, which inspired his vision to plant a church that not only wins souls for the kingdom, which is first and foremost, but also one that demonstrates the compassion and love of Christ by ministering to the physical and emotional needs of all people regardless of ethnic background or socioeconomic status. Pastor Jumper was licensed and ordained by Pastor David Brunson, Sr of Trinity Life Church Lawrenceville, GA.

## FIRST LADY VICKIE JUMPER....

Even though Vickie is very active as the First Lady of Greater Love leading Worship and the Children's ministry, her first love and ministry is her husband and children. Vickie understands God's plan for the family and is committed to her role as help mate to her husband, and mother to her three children. She takes to heart the role of the Proverbs 31 woman and seeks to please God by aspiring to what the bible says a wife and mother should be.

### • BIBLE CENTERED PEACHING & TEACHING.

We believe that God's Word is relevant and profitable for our lives today. **(2 Tim 3:16)**

We believe that God requires, and deserves authentic praise and worship. **(John 4:23-24)**
