

PUR & SIMPLE

Indulge and immerse yourself! In your hands is an extension of you in nature. All ingredients have been hand picked to deliver the best of what mother nature has to offer to make your skin supple, silky smooth and healthy. Key ingredients work hard to feed, infuse and protect the very cell core which help keep you looking younger. Just like nature the end result is perfection.

It is what it is.

Directions: Use as much as your skin craves
slather lavishly till absolutely content
