INFORMATION PACKET

Thank you so much for your interest in Loving Kids Academy preschool program. We are thrilled that you are looking for the absolute BEST early education opportunity for your family! Our program provides preschool and childcare programs for children ages 2-5 Monday to Friday from 7AM to 6 PM. We have included in this packet some information about our programs and services here at Loving Kids Academy. You can also find lots of information on our website at LovingKidsAcademy.com.

Please don't hesitate to give us a call if you have any questions. Also, if you haven't already scheduled a tour, give us a call ASAP so we can set up an appointment for you to come see our facility and meet our staff! We are currently offering \$150 to parents who enroll their children with us as an incentive and as a way thanking you. So please come in and visit us we know you are going to love it!

We look forward to meeting you and your family,
Genessa Gayle, J.D.

Mission Statement

Our mission is to serve students, their families, and the community in a safe and loving space while promoting literacy and technology.

Teachers

Our staff consists of qualified teachers and teacher assistants under supervision of a full time Director. Our teachers qualifications include: early childhood education units, Bachelor's degrees, Master's in Early Childhood Education, Master's in Curriculum and Instruction, and a Doctorate degree in Education. Our CEO has a Juris Doctorate degree. We are proud to present highly qualified staff to our students and families.

Our teachers are the main strength of the school. They teach, evaluate, relate, and care. Their communication with parents is the key to effective education. We support their decisions and give them our respect, love, and encouragement.

Vision

Our Vision is to provide the following services to all children regardless of income:

- Help children develop Kindergarten Readiness Skills
- Promote Early Literacy and Family Literacy Resources
- Model instruction and methodologies from researched based practices
- Practice STEM instruction in Early Childhood Education
- Use curriculum from age appropriate experiences

Preschool Programs

We founded Loving Kids Academy to serve the families of Stockton, with excellent preschool and childcare services. We are staffed by some of the most talented and experienced teachers and education professionals who are required, after completing their required education, to complete 30 hours of additional professional development on an annual basis.

Our Preschool class rooms boast large, bright, and inviting classrooms and we offer a fenced and secure large playgrounds.

Our preschool class room is focused on Kindergarten Readiness Skills. They focus on enhancing your child's confidence and independence by providing activities to help them become problem solvers and life long learners.

Steam Based Curriculum

As Stockton's only non-profit STEM

basedPreschool, we aim to foster

optimal growth in each of our kids, focusing

on their social and educational progress in a holistic manner. Using STEM

based curriculum in each of our preschool classes, we strive to ensures

that each of our students are eager and ready to enter Kindergarten.

Every month our curriculum focusses on a different topic that is then introduced daily through different subtopics. Parent are communicated with consistently on our themes so they never leave wondering what their children have learned.

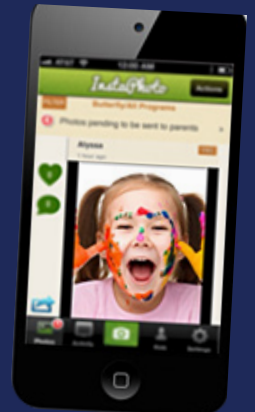

Live Streaming Video App

Ever wonder what is going on with your child during their day? Need reassurance that everything is ok with your child? We offer Watch Me Grow streaming video to keep you connected while you're at work. Use the handy mobile app to watch your child flourish while she's learning and having fun with us each day!

Our Parent Communication App

In addition to our live stream app our teachers communicate your child's daily activities with you through our Kinderlime app.

Diapers, bottles, meals, naps and activities are all entered, as well as reminders for supplies and upcoming events!! Always know what happened in your child's day!

Raising Quality Membership

First 5 of San Joaquin County selects preschool programs that seek to maintain and excel as a quality early education program. Loving Kids Academy is now a participant in this program. This program requires continuous improvements, quality assessments of students and staff, as well as, excellent curriculum and operating standards.

We are proud to be recognized locally as a program committed to excellence and Loving Kids Academy will always strive toward excellence in our programs.

WatchMeGrow

Anywhere.

Our Rates

As a nonprofit it is our goal to ensure that our rates are consistent and competitive locally for all families that we serve as well as the greater Stockton community.

If a family is a private pay family they will be placed in our scholarship program which is subsidized to allow the fees to be similar to a home childcare. Child Care fees support high quality services, materials, supplies, and well trained, educated teachers and caregivers.

Our program is designed to provide everything your child needs to thrive at every stage of development. The first two weeks of tuition is due in advance before the first day of class for the child's fixed schedule and then every two weeks from then on. We do not charge a registration fee.

Our rates are \$30 per day.

We are currently only accepting students that will attend a minimum of 3 days a week.

Loving Kids Academy does not charge a fee for parents to utilize Kinderlime our parent communication tool that sends notifications and emails to parents about their child's day in the form of pictures, text, and video. Loving Kids Academy does however, charge a monthly fee of \$25 for parents to utilize Watch Me Grow our live stream app because of the extra expense associated with the program. As the only local childcare provider of the service we are confident that parents will find the service worth the expense.

We are excited to also accept Resource and Referral and they can be contacted at (209) 948-1553 about their childcare subsidy program.
