3D Framework of face with injectable fillers

Optional Refinements with Injectable fillers

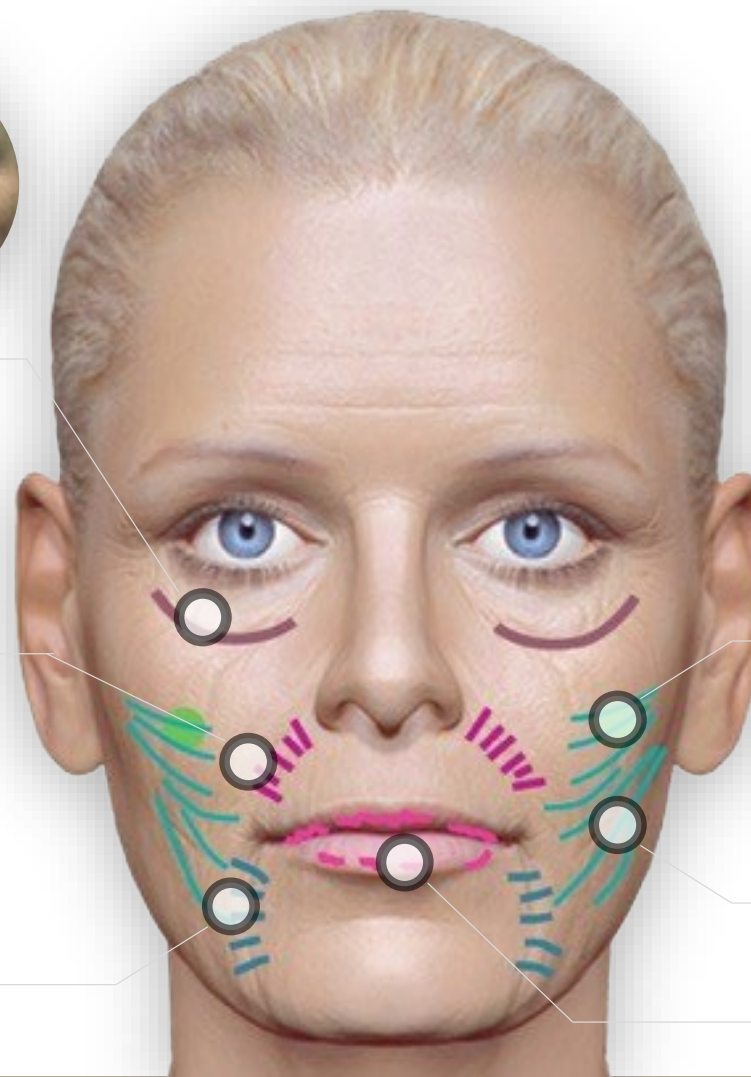

Peri-orbital

Nasolabial folds

Marionettes

cheeks

Submalar
hollows

lips

Multimodal Approach:

”

A painting is more than the sum of its parts:

The cow by itself is just a cow

The meadow by itself is just grass and flowers

The sun peeking through the trees is just a beam of life

Put them all together and you've got magic

Wendelin van Draanen
