3 STEPS

TO HAVE CONTINUOUS IMPROVEMENT OF YOUR GOOGLE ADS ROI

If you are struggling with the problems of the traditional ad copy process Wordapp is here with its revolutionary solution: Wordapp Ads

1

Connect Your Google Ads Account

Connect your Google campaign to wordapp.com and set the variables for the experiments

2

Winning Ads Are Selected Automatically

Within 5-15 days Google automatically provides the results of the experiments and we distribute the payment to the copywriters

3

Receive Your Copy

Copywriters from all over the world will start submitting ad copies within hours, and the copy you approve is seamlessly uploaded to your google ads account
