

Design Requirements for Banner

- Create a banner to be hung at entrances at the school, to encourage participation in donation campaign
- Banners will be sized slightly differently (based on constraints of where they will be hung)
- School colors are orange and black. I will fill the thermometer probably with perfectly cut duct tape. Can be any color. If not red, green?
- Dollar \$\$\$ goal tracking up to \$1.1M, in 200K increments (or whatever looks good) not %
- Our goal is 1.1M
- Arrow Up, not thermometer
- list website: whsfoundation.org
- include logo, see file provided
- See examples below (there will be student pick on the banner though). What I like about the samples: clean, easy to read, clear, mission-oriented. What
- include mission oriented messaging like: Reduced Class Sizes, Expanded Electives, Student Support
- Our Organization is Woodside High School Foundation
