

- Company Name: FACT Services
- Company Description: Providing general accounting and bookkeeping services. Services would include:
 - Fraud Prevention & Deterrence
 - Accounting: Bookkeeping & Audit
 - Taxation & Training
- Owner Name: Felix S.K. Djogbessi, MAFM, CFE, PB
- The name of the company refers to the following:

F – Fraud Prevention & Deterrence

A }
C } ACcounting: Booking Keeping & Audit

T – Taxation & Training

- Require a Logo – Owner Likes the idea of incorporating a Calculator within the Logo.
- Must be able to look good on a Black (Dark) Background & on a White (Light Background)
- Must look good in Gray Scale and colour.
- Once a Logo has been defined we would be looking at Business Card Design, Letter Head Design and a Wordpress website.

The image below was just an initial thought by the owner, however, it is obviously too busy for the Logo but may be incorporated in some other fashion like the website.
