- **Sunday** (July 15, 2018): at 3:30 and 5:30 pm

Below are a few suggestions and things to keep in mind with respect to the Abbotsford venue.

TIP #1: If driving out to Abbotsford from Metro Vancouver for the circus, consider combining your trip with a visit to other places of interest in the area. Click [Abbotsford](#) or [The Fraser Valley](#) for ideas on other places to check out.

TIP #2: Seven Oaks Shopping Centre is just a short walk north of Mill Lake Park. It's a beautiful park that's great for strolls and picnics.

TIP #3: Don't forget to fill up your car's gas tank while in Abbotsford. Gas prices in the Fraser Valley are typically about 10 cents cheaper per litre than in Metro Vancouver.

TIP #4: July is usually raspberry season in the Fraser Valley. Be sure to check out what else is fresh at area fruit stands, or visit the [Abbotsford Farm & Country Market](#) which takes place on Saturdays from 9 am until 1 pm.
