

Dear Friends,

Please join us for Our **FIRST ANNUAL Bubbles & Barks Doggie Wash Extravaganza** on April 28, 2018 to help raise money to support the efforts of Friends of St. John's County Pet Center (FOSJCPC), an all-volunteer 501(c)3 non-profit organization dedicated to supporting homeless and abandoned animals that are housed in our county's pet center prior to adoption.

What could be more FUN than bathing dogs! Imagine the suds, the bedlam, the barks, the whimpers, the tail wagging, the sloppy kisses, the wet paws and the slip-sliding puddles that are involved! This is a family fun event for all ages and is scheduled to take place at Watson Realty, Nocatee Town Center, 205 Marketside Ave., on Saturday, April 28, 2018 from 9:00 AM - 12:00 Noon.

Our hope is to draw an enthusiastic crowd of dog owners, dog lovers, dog handlers, curious bystanders and spectators of all ages. All domestic dog breeds from puppies to seniors are invited! Please be sure your furry family member is tolerant of other dogs, crowds and bathing. They are sure to enjoy the undivided attention of volunteer bathers and a chance to socialize with their peers during this special spa experience.

This is a worthy cause that is often "under the radar" in terms of local charitable giving. Yet abandoned and homeless animals have an incredible reservoir of love and devotion to offer as an adoptee pet. FOSJCPC has special programs that encourage animal adoption, such as paying adoption fees for those who are in most need of adoption, providing heartworm treatment for adopted dogs who are "heartworm positive" and hosting adoption events that call attention to the availability of dogs who are adoption eligible.

We hope you will come out and help support this event with us! This is a FREE event where you and furry fido will enjoy a doggie wash, food & beverages, vendors with FREE give-a-ways, raffle drawings, GRAND PRIZE and MORE! Donations are welcome and much appreciated.
