

Request

Deliverables

- 10 PowerPoint slides in shared PPT file
- With 10 or more images that communicate the message described in the slides notes for each slide.

Deadline

- Slides will be used in a PowerPoint presentation Monday, Dec 10.
- Due date is Friday, Dec 7.

Design Guidance

- See attached deck for existing design template/theme (with colors/logo)
- You should match the design
- Animations should be delivered as GIF files that can appear in a slide
- Animation can last 4 to 10 seconds.
- Instead of animations, photos from Shutterstock can be recommended (I have an account and can provide the final file to use).

Communication

We'll exchange email addresses so you can ask me questions.

I'll respond ASAP.

PLEASE ask questions before spending too much time on any complex design.
