

# LORD HOWE ISLAND

## PROTECTING PARADISE TRAVEL PACKAGES 2018

### ONCE IN A LIFETIME EXPERIENCE

ASSIST IN GLOBALLY RECOGNISED  
CONSERVATION PROJECTS ON LORD HOWE ISLAND

EARLYBIRD PRICING TILL 25TH MAY '18

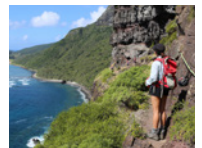

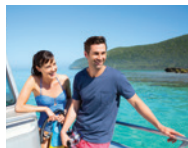

Our globally recognised conservation projects have experts from all over the world working side by side with our conservation volunteers, monitoring, collecting and exploring this unique natural environment. Experience nature like nowhere else and be part of sustaining this amazing environment.

Volunteer as a Citizen Scientist, attend lectures by leading experts, explore the fascinating environment and experience the species that these conservation projects are safeguarding.

Your involvement will assist in the species recovery of the world's rarest insect, Lord Howe Island Phasmid, as well as allowing you to participate in a program that will change the lives of critically endangered species including the Lord Howe Island Woodhen; all whilst enjoying the pristine natural environment of Lord Howe Island.

**LORD HOWE ISLAND**  
just paradise.

#### THE PROTECTING PARADISE PACKAGE EXPERIENCES INCLUDE:

- Opportunity to be involved in world class conservation projects
  - Experience Lord Howe Island's huge range of hiking trails
  - Interact with critically endangered species of flora and fauna
- Lord Howe Island is World Heritage, National Park and Marine Park
- **EXCLUSIVE PACKAGES 7 DAYS FROM \$1069** (Including flights and accommodation)
