

Save on your utility bill

No changes to your current
utility relationship

No upfront costs or
payments

No equipment, installation,
or maintenance

How it Works

Join a Solar Farm

Join a nearby Community Solar farm that produces 100% clean solar energy on your behalf.

Get Utility Bill Credits

Every month, you'll see credits on your utility bill based on the power produced by your share of the solar farm.

Save Money, Breathe Easier

Save on your current utility bill while leading the way to a clean energy Maryland.
