

Plug in. Switch on. Dust and fumes? All gone.  
Really, it's that simple.

# AirBench

Leaders in Downdraught Extraction Technology

If we could solve  
your dust and  
fume problem in  
minutes...

- ✓ **AirBench** takes dust and fumes away from your breathing zone
- ✓ **AirBench** draws them through the worksurface, capturing them inside the bench
- ✓ **AirBench** is available in a wide range of sizes and filter configurations to suit your application
- ✓ **AirBench** is plug and go - only needing unwrapping and plugging in to a 13 amp socket
- ✓ You get extraction and work bench in one compact unit

...would you be interested?

Doubt it can be that simple? Contact us for an on-site demonstration
