“

We have had Day & Associates manage our property since 2009. Since that time we have been very pleased with their services. Phone calls or situations are addressed on a timely basis. It really gives us peace of mind knowing that Steve Day and his company are taking good care of our property. Also, we recently, sold and closed escrow on another property in the South Bay. Steve handled everything to perfection. We would highly recommend Steve Day and his company to others for any real estate needs. We will be using Steve in the future. He makes it all so easy.
