Note to General Contractor and fellow Sub-contractors: Sullivan and Associates does everything in our power to provide innovative, accurate, and efficient home plans for our customers. Our designs are checked and re-checked to eliminate costly mistakes in the field. In the event that an error or omission is discovered, stop work and notify us immediately to resolve the problem. If we are notified promptly, most oversights can be resolved quickly and economically. However, should work continue and we are not notified, accumulative expenses will occur and we shall not take financial responsibility for them.
