Description:

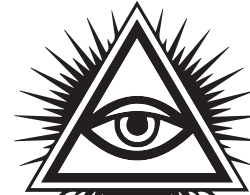

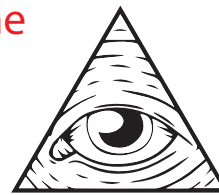

Hi! I'm looking to get T-shirt graphic done in the vein of a classic Comic book cover. The theme is the Statue of Liberty being arrested.

It will have a drawn version of The Statue being escorted by 2 Navy blue uniformed Police officers. ie. like the photos below

Lady Liberty instead of Superman in Similar font styles

Police State instead of Muhammad Ali in Similar font styles

Illuminati Comics instead of DC Comics
use one

these are useable vectors
