Company Summary

A company that creates fun and creative “parties in a box”. Making it simple to get friends, family, community, social groups together so they can “unplug” from technology and have a fun creative craft day. Projects boxd for a party of 8 is stress free for the hostess with no mess and easy party cleanup. Everyone can complete the project in 1 to 1 ½ hours and go home with a finished project. Friends can each chip in for the low cost of their portion of the boxed party or the hostess can choose to sponsor the party buy his or herself.

It can be a wine party or even coffee and crafts but ultimately it is a great way to enjoy time with friends, social groups, scout groups, church groups, etc.

It is about the experience and the socializing.
