DESIGNED FOR TEACHERS, STUDENTS AND THE ENVIRONMENT

Teacher's Pet®

IT'S TIME TO TOSS OUT THOSE CHEAP FELT ERASERS, THOSE STINKY BOTTLES OF WHITEBOARD SPRAY AND THAT BOTTLE OF GLASS CLEANER IN YOUR CABINET. TEACHER'S PET IS HERE TO MAKE YOUR WHITEBOARD AND CLASSROOM CLEANER, MORE ENVIRONMENTALLY FRIENDLY—AND A LOT MORE FUN!

CARING FOR YOUR TEACHER'S PET®

TAKING CARE OF YOUR TEACHER'S PET IS EASIER THAN TAKING CARE OF ANY PET YOU'VE EVER OWNED. NO VETERINARIAN VISITS. NO SPECIAL FOOD. NO HOUSE BREAKING AND NO CARPET CLEANING BILLS BECAUSE YOU NEVER GOT THAT HOUSE BREAKING THING QUITE RIGHT. "ONE OF THE MAIN QUESTIONS WE GET ABOUT TEACHER'S PET IS HOW OFTEN IT NEEDS TO BE WASHED. THE SIMPLE ANSWER IS THAT IT DEPENDS ON HOW MUCH YOU USE IT AND WHAT YOU USE IT FOR. FOR EXAMPLE, IF YOU SOAKED UP A CUP OF APPLE OR ORANGE JUICE DURING SNACK TIME YOU SHOULD PROBABLY TAKE IT HOME AND WASH IT THAT SAME DAY. IF IT IS ONLY USED ON YOUR WHITEBOARD AND FOR CLEANING TABLET SCREENS, PHONE SCREENS AND THE LIKE, IT WILL DEPEND ON HOW MUCH YOU WRITE ON YOUR WHITEBOARD. THE EASIEST WAY TO DETERMINE HOW OFTEN TO WASH IT IS BY USING THE SAME POWERS OF OBSERVATION YOU USE IN YOUR CLASSROOM. YOU KNOW, "HMMM...LOOKS AND SMELLS LIKE JOHNNIE COULD USE A BATH."

HMMM...
JOHNNIE LOOKS LIKE
HE COULD USE A BATH
