

We Care.
We Are Passionate.
We Are Results-Driven.
We Are Aqueity.

We deliver **real world results** powered by **practical IT solutions** and an **unparalleled ability** to build **deep, lasting relationships**.

Who Are We?

Since 1996 we have been providing clients with practical solutions to their most pressing IT needs. Over the years we have built a unique approach to IT. A hybrid blend of technical chops and business strategy, has allowed us to become a true partner in growth for our clients.

> 98%
Client Satisfaction

So, what makes **Aqueity** different?

Our People

From our extensive onboarding process to our ongoing employee development initiatives, we understand that when we hire someone, we aren't only hiring them to be a part of our team, we're hiring them to be a part of yours. You'll get great service, from great people.

Our Service

Everyone says they offer great service. We understand we have to back it up. And backing it up is exactly what we've been doing for the last 22 years. It's proven by our 100% client retention rate and our 98.7% client satisfaction rate.

“With Aqueity's Unified Vision plan, all of our IT needs are covered. They handle everything - network upgrades, hardware maintenance, software contract renewals, and more. It's complete peace of mind. **Connie Holyroyd, Office Manager**

“Aqueity is dependable, reliable, honest and a trustworthy source for all our IT challenges; they are our full-time IT department! - **Dunbar Systems**
