

About us

We are Winnipeg's newest Inuit organization.

Tungasugit is a non-profit organization that exists to help Inuit with any situation you're in. If we can't help you, we will help you find someone who can.

We know it's not easy transitioning into an urban setting. There are a lot of barriers we face and, until now, with very little help.

Please get in touch with our **Inuk Outreach Coordinator** to get started.

We offer drop in times (*please contact us to find out when*) and have hot coffee and tea ready and country food. (*when available*).

Our space is your space!

Feel free to contact us for any help.

WANT TO HELP US?
