# COMP360 IS THE ANSWER WHEN IT COMES TO WORK COMP

## IS YOUR COMPANY IN COMPLIANCE?

Comp360 offers HR and Safety onsite compliance audits, as well as training and certification for all types of businesses. Our SPHR (Senior Professional in Human Resources) can do it all - from handbooks to managing your Human Resource department. Our CSP (Certified Safety Professional) can provide written programs and onsite training for Blood Borne Pathogens, DOT, OSHA 10 & 30, Roadway Flagger Certification, Forklift, CPR/First Aid, and Ergonomics just to name a few.

## IS YOUR EXPERIENCE MOD CORRECT?

Comp360 detects and corrects the profit leaks inherent in every work comp program that drives the cost up. Incorrect class codes, incorrect claims and subrogation filings, incorrect experience mods, and incorrect final year-end audits are just some of the profit leaks that may be costing you thousands annually. We can audit all of these at no cost to you.

## DO YOU HAVE AN OUT OF CONTROL CLAIM?

Comp360 provides employers with immediate and ongoing injury and claims management consulting on every work comp claim. Our licensed and experienced adjusters act as your advisor and advocate to ensure your interests are represented. We attend all mediations on your behalf for all litigated claims to insure each claim is resolved with the least amount of impact on your premiums.
