BRAND IMAGE

We are a exclusive technology boutique. We don't work with anyone. We are experts in what we do and don't compromise in quality just to please others.

BRAND IMAGE

BACKGROUND

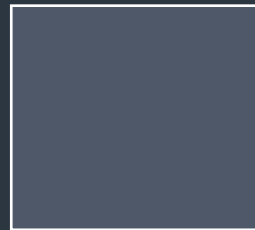

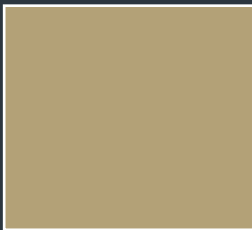

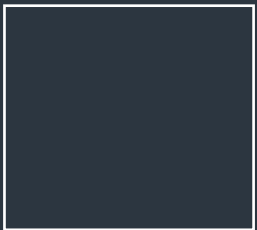

The name essquare was conceived in 2010 as name for a gaming company. essquare games. The two Founders shared the same first name: Sebastian and as both were generalists we thought that the initial letter S raised to the second power S^2 - (S Square) would be a brilliant idea. And as the double S (SS) didn't look good and is not perceived well in Germany we came up with:

essquare
