

WILD BEAR'S GARLIC™ *Allium ursinum*, is the world's only wild, organically grown garlic supplement. Harvested at the peak of freshness and potency from the Alpine plains, **Wild Bear's Garlic™** offers the highest natural levels of **adenosine, ajoenes, iron** and **sulfur**. Every spring, bears emerging from hibernation are said to eat the tops of this wild garlic for strength and nutrition. Now that science has proven its medicinal properties, **Arizona Natural** packs 235 mg. of this revitalizing food in convenient, easy to take capsules.

CONTENTS: Each capsule contains 235 mg. pure **WILD BEAR'S GARLIC™** (from 700 mg. wild, organic *Allium ursinum*).
