

Green Earth Ice Melter™

- Use half as much when compared to calcium chloride and rock salt
- Blend of specialized corrosion inhibitors, sodium chloride & potassium acetate.
- Safer on roads, vegetation, and sidewalks than rock salt
- Quickly penetrates and dissolves snow and ice
- Green color helps to make spreading material easily visible
- Non-staining to concrete, asphalt, and shoes when used properly
- Increased corrosion protection to equipment
- Reduced environmental impact
- Works down to -25°F
- DUST FREE – does not create harmful dust that can cause breathing irritation
- Apply only about 5-7 lbs per 1000 square feet
