

1.0 - Overall Landing Page

Landing page should look tech related.

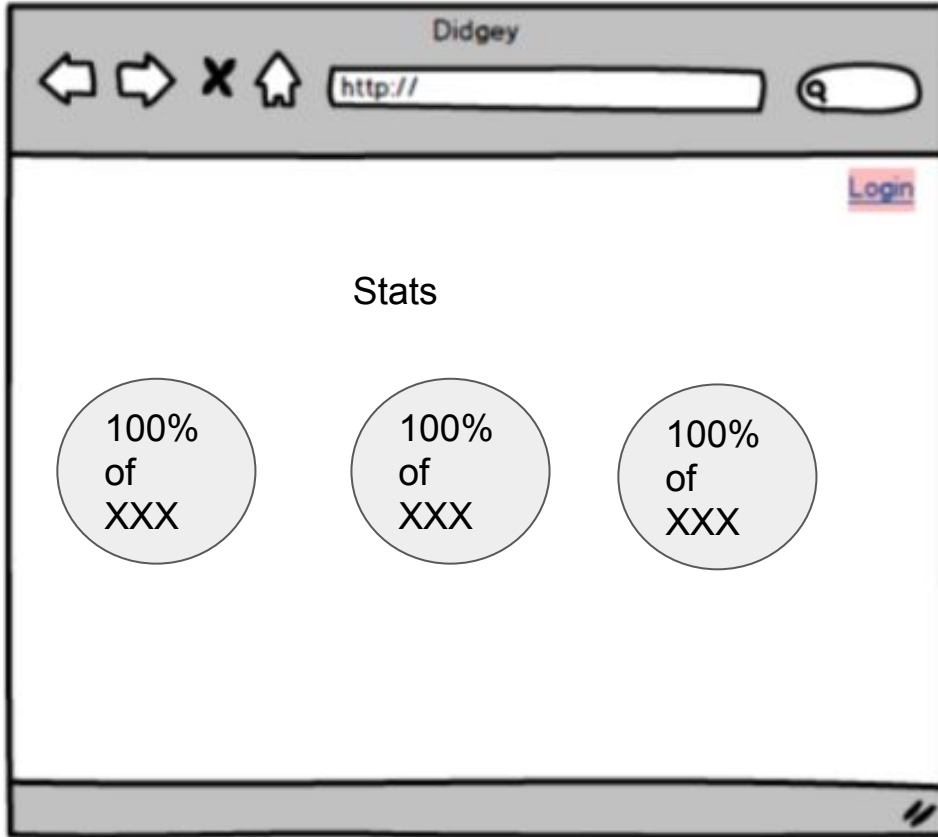

Menu should be on all pages.

1.1 Overall Landing Page

Some kind of slick graphic representation for how it works, needs space for copy to explain the three sides marketplace DSJ is bringing together

1.2 Overall Landing Page

Want to show some stats on services we provide something graphic that moves would be best.... Want to draw attention to it

2.0

Account Creation Page

The sketch shows a web browser window with a grey header bar. Inside the header, the word "Didgey" is centered. To the left of the address bar are four navigation icons: a left arrow, a right arrow, a close (X) button, and a home button. The address bar contains the text "http://". To the right of the address bar is a search icon. Below the header, the main content area is titled "Create Account" in the center. On the left side of this area, there are four labels: "LinkedIn", "Google", "Email/Username", and "Password". Each label is aligned with a corresponding input field. The "LinkedIn" and "Google" fields are preceded by small square icons. The "Email/Username" and "Password" fields are preceded by three dots. Below the input fields, there is a red rectangular button with the text "Create Account". At the bottom of the main content area, there is a blue link that says "Already have an Account?". The browser window has a grey footer bar with a small double-slash icon on the right.

Branded with our logo this will be account creation for all three constituents

3.0 Login

A hand-drawn sketch of a web browser window. The title bar at the top is labeled 'Didgey'. Below the title bar is a navigation bar containing four icons: a left arrow, a right arrow, a close button (X), and a home button (house). To the right of these icons is a text input field containing 'http://'. Further right is a search button with a magnifying glass icon. The main content area of the browser is titled 'Login'. It contains two text input fields, one labeled 'Username' and one labeled 'Password', each with a small '...' placeholder text. Below these fields is a 'Login' button. At the bottom of the main content area, there is a link that reads 'Need to create an Account?'. The browser window has a grey footer bar at the bottom right corner.

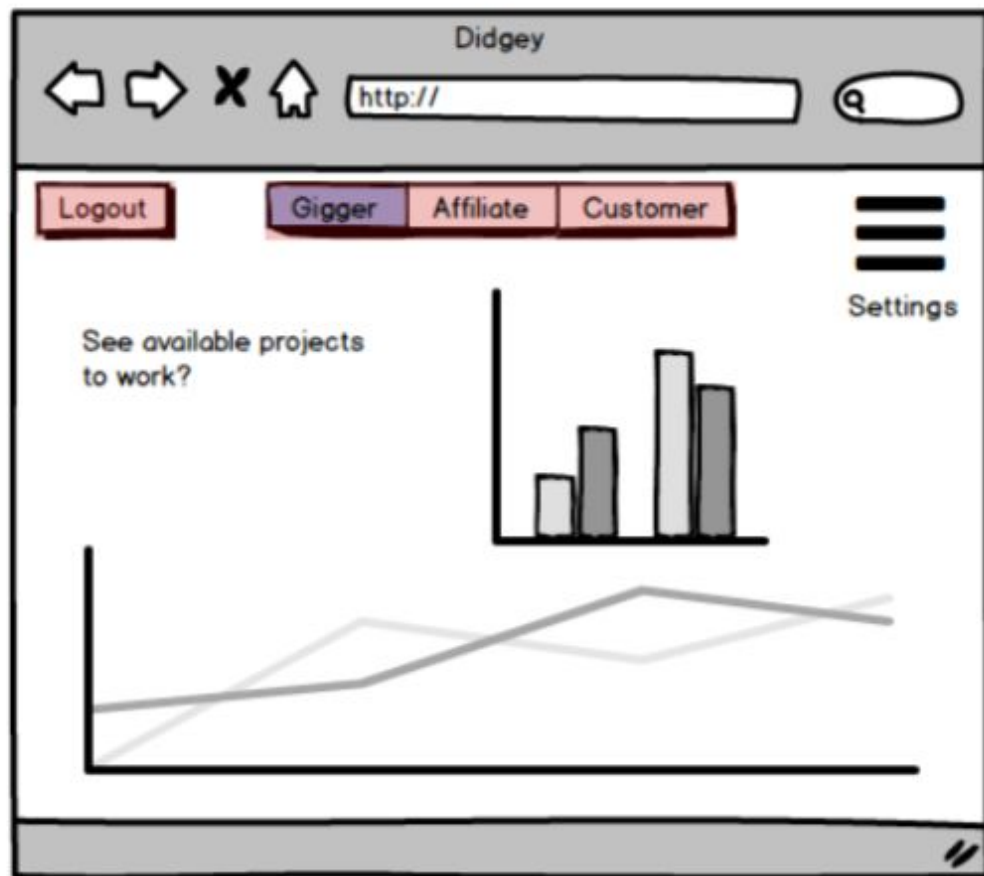

Branded with our logo this will be login for all three constituents....
