

EXPECT AN EXCEPTIONAL EXPERIENCE

WE ARE VANCOUVER'S TRUSTED RENOVATION COMPANY

Renovating homes.
Building relationships.

WE'RE AN AWARD WINNING RENOVATION COMPANY

Throughout the years, we've become recognized as one of Canada's top renovators, earning some of the highest accolades in the industry. We've achieved this success by treating every client with the respect they deserve, and the utmost integrity. Our customer relationships are built on loyalty and trust, with many coming back to us for every renovation they need and recommending us to their family and friends. This is how our reputation was built, and how it continues to thrive.

THE VGC ADVANTAGE

These are some of the reasons why thousands of homeowners choose us for their home renovation project. We get it done right, on time, and on budget.

OUR APPROACH

Full service now for less headaches later

Plan

Design

Build

1. Design Agreement

Within 24 hours, our professional designers will contact you to ensure everything matches the concept you've envisioned.

2. Site Measure

Our designers work directly with you to ensure the measurements and initial design ideas are up to your individual specifications.

3. Initial Design Proposal

This proposal will be examined by the client, the designer, the project consultant.

4. Final Design Revisions

The revisions will be posted within 4 days of the initial design proposal on our client portal.

5. Build Agreement

Once you confirm and signed on for the build, the permit drawings will begin.

6. Permit Drawings

These will be designed and submitted for approval to the relevant government bodies.

7. Floor and Roof Layouts

The final permit drawings will also be sent to engineers to ensure structural integrity.

8. Permit Application

We submit your application to officials at the city with whom we have existing relationships with.

9. Permit Approval and Final Construction Drawings

Once the permits have been approved the drawings will be updated within a 24hr period.

10. Project Preparation

Finalize building materials, scheduling, and all of the other relevant project pieces.

ONE-STOP SHOP

We don't do any out-of-the-box renovations. Each project starts with us learning about your needs. Our design and build services include 3D renders and floor plans before the actual renovation, so you can visually see what you're getting before you even commit.

EXPERTS AT EVERY STEP

Our full-service approach means that you don't have to worry about finding a designer, an electrician or a painter - we've got it covered, and our team of skilled professionals will be with you every step of the way, from the first sketch to the last coat of paint.

STUNNING RENOVATIONS

With more than 50 years of combined experience, our network of local suppliers allows us to create luxurious renovations at very affordable prices.

“
The other company we dealt with had extra charges and it was like I was signing a blank check - they delivered what they said they would within our budget. They went well beyond what I expected in many ways.

- Richard, Home Addition
