

BODY CONTOURING

Body FX

BodyFX is a new, long lasting, non-invasive solution to reduce the unsightly appearance of cellulite.

Forma Plus

Forma brings the ability for clinicians to provide a safe nonsurgical option to refine and reverse skin laxity.

Mini FX

Say goodbye to submental fat “double chin” with our MiniFX. The combination of different clinically proven modalities including radio-frequency energy, deep tissue heating and suction coupled negative pressure.

WOMEN'S HEALTH

Women now have options for treatment of aging tissue, low blood flow and sensitivity, pain sensation and weakening of muscles. Speak to your health care provider for more info.

Dr. Charles is a Calgary based family physician specializing in Dermatological Medical Procedures and Cosmetic Services. He has also served as a peer reviewer for scientific journals, such as the Journal of Cosmetic and Laser Therapy. An avid watcher of Shark week, Dr. Charles loves hammerhead sharks.

Chantal has over 15 years of clinical experience, as well as the past 8 years as a Clinical Educator and Director of Cosmetics Skin Education. Chantal was born and raised in the Balzac area and loves what she does, passionately treating patients to ease skin problems.

ANTI-AGING

Botox

Neuromodulators are a non-surgical procedure that effectively slows the development of wrinkles and restores the appearance of naturally younger, healthy-looking skin.

Soft Tissue Fillers

Fillers are injectable hyaluronic acid (a natural occurring acid in your body) that is used to smooth away unwanted lines and refresh your skin's natural appearance.

IPL - Intense Pulsed Light

Lumecca IPL is a technology used by cosmetic and medical practitioners to perform various skin treatments for aesthetic and therapeutic purposes, including hair removal, photorejuvenation for the treatment of skin pigmentation, sun damage, and thread veins.

Lumecca Photo Rejuvenation

Used to treat hyperpigmentation and vascular lesions such as poikiloderma, facial spider veins, rosacea and freckles.

SKIN TREATMENTS

Forma Glow Facial

This safe and comfortable non-surgical solution is perfect in a series for treatment and preventative measures in anti-aging.

Chemical Peels

Used to brighten and tighten tired skin through an even, controlled exfoliation of damaged skin cells.

Microdermabrasion

A non-chemical, non-invasive procedures using selected diamond encrusted bits to resurface or abrade the uppermost layer of the epidermis for a softer, smoother and even texture.

Fractora Microneedling

Microneedling is a superior solution to decrease wrinkles, improve skin complexion, reduce skin irregularities (including acne/acne scars) and provide a healthier younger looking you, all in one session.

SKIN REPAIR

Scar Reduction

Collagen Induction Therapy is a skin revitalizing treatment used to help repair scarring, acne, melasma, hyperpigmentation, and fine lines and wrinkles.

Acne

Depending on the condition, options include topical retinoids (Vitamin A), hormonal medications (contraceptives), oral retinoids (Accutane), and antibiotics.

Fractora

Fractora is the most advanced fractional radio-frequency treatment, providing anti-aging improvements on skin tone and texture for a more radiant appearance.

Hair Regrowth

Selected sterile solution combined with micro needling, offers an innovative method of rejuvenating the scalp, aiding the growth of new hair.

Laser Hair Removal

Hair can be treated virtually pain-free at our clinics using advanced laser technology to safely and effectively eliminate unwanted hair.
