

BlendBow

THE FIRST FULLY AUTOMATED COCKTAIL MACHINE

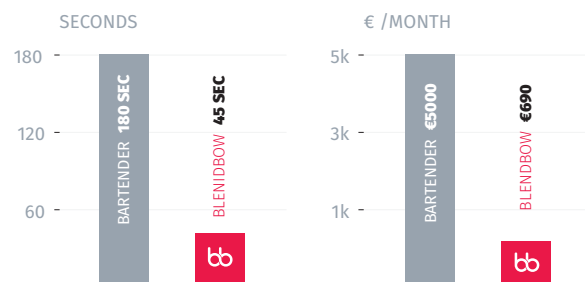

PERFECT COCKTAILS IN A FEW SECONDS!

With a 90% margin, cocktails are the most profitable items in bars and restaurants. In addition, cost employers up to 5.000 € /month and are very difficult to hire.

BlendBow has created the world's first fully automated cocktail machine. It can make up to 300 recipes, including Mojitos and Caipirinhas in less than 45 seconds.

THERE ARE 196,000 BARTENDERS IN FRANCE ALONE.
