

Massage Therapy

Our skilled therapists will create a custom massage designed specifically to meet your needs using a variety of restorative therapies:

- **Relaxation Massage** - A soothing massage of light to medium pressure providing restorative relaxation while promoting wellness and stress reduction.
- **Swedish Massage** - A healing massage accomplished by applying light to firm pressure through a range of long, smooth strokes to increase circulation and ease tension.
- **Shiatsu Massage** - Shiatsu is a finger-pressure technique utilizing traditional acupuncture points to unblock energy, restore balance and healing, and release stress.
- **Sports Massage** - Ease sore muscles with an invigorating massage to increase range of motion and reduce joint tightness - perfect for any sports enthusiast to optimize performance and reduce risk of injury.
- **Deep-Tissue Massage** - Concentrated, deep pressure is used to alleviate muscle tension and discomfort with benefits that include reduced inflammation and increased circulation.
- **Pregnancy Massage** - Designed specifically for pregnant women to ease body tension, reduce fatigue, relieve headaches and promote restful sleep.
- **Upgrade massage sessions with hot stone treatment, deep muscle therapy, foot exfoliation treatment, brightening hand treatment, and aromatherapy.**

Signature Facials

- **Signature Kalologie Facial** - This skin-refining facial features a pomegranate enzyme mask for effective exfoliation, stimulates cellular turnover and softens fine lines for a healthier, younger-looking and radiant complexion.
- **Clarifying Facial** - A pore purging like no other... this industrious facial purifies the skin to improve skin clarity, fight bacteria, reduce blemishes and breakouts, heal frustrated skin, and calm irritation.
- **Age-Defying Facial** - Our ultimate anti-aging treatment featuring DNA-repairing enzymes and intensive hydrators to activate skin stem cells, dramatically increase moisture, boost antioxidant defenses, improve elasticity, and reverse signs of aging.
- **Firming Facial** - A high performance treatment that is relaxing and revitalizing - skin perfecting peptides are custom blended with a contouring mask to effectively target skin tone and elasticity, reducing fine lines and wrinkles.
- **Brightening Facial** - A complexion-correcting facial that reduces skin pigmentation, significantly brightening the skin, helping to repair damage and boost clarity for an instant glow.
- **Calm Facial** - Provides instant relief for sensitive skin, combining gentle exfoliation, botanicals to minimize redness and inflammation, and skin-soothing agents to heal and hydrate sensitive skin.

Classic Facials

- **Classic Facial** - Cleanses and rejuvenates skin to provide essential nourishment and protection.
- **Men's Facial** - Specifically tailored to suit the skin concerns of men.
