Attention Retailers! 30 Certified Organic Products to Choose From! We Will Double Your First Stocking Order **FOR FREE!***

That's right, we will double your first stocking order **FOR FREE**. We know that stocking your shelves is expensive, and to help with this expense, we are doubling your first stocking order **FOR FREE!** (up to **6 FREE** bottles per SKU). For example, order 3 bottles, and we will send you 3 extra bottles **For Free** (6 bottles total). Order 6 bottles, and we send you 6 extra bottles **For Free** (12 bottles total)*

Why buy from us?

- **Dozens of Certified Organic Products to Choose From!**
We specialize in **Certified Organic Products**, giving you a wide variety to choose from. As certified organic product move to the front line for most shoppers, having a large variety of **USDA Organic Products** will help capture those sales!
- **60-Day "Servings Per Bottle" / 120 Veggie Capsules!**
We provide customers with 120 veggie capsules per bottle, giving customers 60-Day servings per bottle rather than just 30. That's more product for their money!
We also use paper tamper-seals, NO ALUMINUM!
- **Eye-Catching Product Visibility, with Real Botanical Pictures!**
We use a bold and attractive 300cc bottle (packer) with a larger label for easy visibility, and an attractive label designed with colorful pictures. So your customers can see exactly what they're getting and see just how beautiful the product of nature they're purchasing really is!
- **We Support Retailers with Complete Price Exclusivity!**
Unlike other companies that sell you product to put on your shelves, only for you to find out later that many of your customers are going online to buy that same product at a discount. With Unique Products of Nature, we do not sell to online websites, i.e., Amazon, Google, or any online supplements stores. So NO MORE losing customers to online discount stores! We also mark our website prices up by 25%, to deter your customers from buying from us instead of you!
- **Made with Astragin, Patented for "Enhancing Nutrition Bioavailability!"**
Astragin is a natural, plant-based, proprietary compound, comprised from highly fractionated Astragalus Membranaceus and Panax notoginseng that **enhances nutrition bioavailability**.
- **Easy website re-ordering!**
We also provide a 1-page "60% Off Wholesale Re-Order Page", which list every product we have on just 1 re-order page, making re-orders fast and simple. Orders ship out in 24 hours USPS Priority Mail, so you receive it in 2 to 3 business days. You also receive free shipping on all orders over \$100.

**Call Today - (877) 606-3195 Or Fill Out Our
"Retailers Application" Page Online At
www.UniqueProductsOfNatureUSA.com**

* Up to 6 free bottles (per SKU) of any product on our website. Limited time offer. Prices may change without prior notice.
