The information contained herein is not intended to replace a one-to-one relationship with a doctor or qualified healthcare professional. Therefore, this information is not intended as medical advice, but rather a sharing of knowledge. We encourage you to make your own health care decisions based on your judgment and research in partnership with a qualified healthcare professional. These statements have not been evaluated by the Food and Drug Administration. The information is not intended to diagnose, treat, cure or prevent any disease.

**How can  
I help?**

You can know if your patients have a  
higher risk of getting cancer!

**Who do  
we test?**

What is the medical necessity for this test?

**How do  
I test?**

Simple swab, 1 minute to test!

**How to start  
testing**

Testing in your office is easy!

**Knowledge  
is Power**

I don't want to test.  
I don't want to know.  
I just want to enjoy my life.
