### COOKING INSTRUCTION :

Scoop 3 cups of rice  
(for family of 4) into  
the rice basin

1

Rinse rice just ONCE

2

Add water 3.9 cups  
(water 1.3 : Rice 1) into  
the rice basin.

3

After placing the rice basin  
in rice cooker and switching  
cooker on, do not lift lid or  
stir rice while cooking, as the  
fragrance will diminish.

4

When rice is cooked, Leave  
for 15 minute the fluff with  
a fork and serve hot and  
fragrant.

5

For softer rice, put more water. For fimer rice, put less water.
