

Master head

Master text
BORDERLAND

I would like to get a remastered version of the Master Head, an oldschool theme
With the head of picture 2 (Angry Face) on Master head & picture 1 onto the Master Head.
& Master Text with same text font onto the wing of Master Head.
Dont make any changes of the master head's colors.
picture 1 - Color : Grey or black.

Extra

If it would be an opotunity then i would like the master head whit the same kind of layout
as picture 4.
