Rich in Minerals

High in Fiber

No Added Sugar

GMO free

nutrient-dense

Nature's best tasting fruits are also the healthiest which is why we have made it our mission to spread nature's love! Africa and cultivated by the caring hands of the local farmers, our range of dried fruits are nutrient-dense, high in fiber and rich in minerals. Enjoy them in your salads and cereals or simply relish them as a snack! They are diet-friendly if eaten in moderation and are a natural source of energy.

Spreading Nature's Love

Ingredients: Pineapple - contains 100% fruit with no added sugars, preservatives, additives, colorings or flavorings.
