

OUR VISION

At Top Marks Accounting we have one mission in mind... to improve the quality, accuracy and efficiency of your business's back-end bookkeeping and payroll processing, so that you can focus on the nuts and bolts of your day to day operations. Founded by a former CFO in the San Francisco Bay Area, we bring a team of accounting professionals with over 20 years of expertise from one of the most competitive markets in the world. Our accounting firm grew from personal success in business financial management. We bring knowledge, insight and guidance to your business, offering value for time and money. From bookkeeping to financial reporting to payroll and beyond, we at Top Marks Accounting have the expertise to provide your business with a comprehensive evaluation and easy to implement solutions.

Our QuickBooks Online Certified Professionals have the Knowledge and Expertise to Ensure Professional, Accurate, High Quality Service.
