

Dear Mr. and Mrs. Smith:

Thank you for using our services at Boca Auto Tag and Title. As you know from the State Of Florida fees, owning an automobile in Florida is an costly proposition, and the most expensive component is the insurance.

Through our sister company Sipowski Insurance, Boca Auto Tag and Title offers auto insurance from top carriers including Progressive, Travelers, Mercury and Safeco (a division of Liberty Mutual). In many cases at least one of these companies will offer a premium much lower than what you currently have.

Getting a comparable quote from these companies is simple. When you receive your renewal bill, email the policy summary, sometimes called the declarations page, to us at autoquotes@sipowskiinsurance.com. Our licensed insurance agents will run a comparison quote for you within 48 hours of your request at no cost and no obligation. At a minimum you will know if you are paying a fair market premium compared to four of the strongest companies in Florida.

If you are interested in taking advantage of this offer and become an insurance client, you will be eligible for a 10% discount on all future processing fees at Boca Auto Tag and Title.

Thank you again for being a client of Boca Auto and Title. Call us with any questions.

Sincerely,

Todd Sipowski
