ABOUT US:

Our 30th Year in the Kitchen and Bath Industry!

In 1989, Joe and Pam Perrone started Capertown Kitchens out of a small storefront in Upton, MA. In order to find more room for their growing business, they moved their showroom to its current location in Milford, MA. 30 years and thousands of happy clients later, Capertown Kitchen and Bath is still committed to exceptional quality of work and design.

In early 2019, Joe Devaney was brought on to continue the rich tradition of Capertown and work along Joe Perrone. Both Joe's are looking forward to the next chapter in Capertown!

TESTIMONIALS:

Capertown Kitchens is the BEST!!! I have worked with Joe on several projects and his expert advice, dedication, and professionalism never ceases to amaze me. This is the place to go!

-Stephan Saradarian

Capertown Kitchens Inc. had done an awesome remodeling of my wife's kitchen several years ago so I called on them to remodel my bathroom as it was in need of a lot of work. Joe and his crew of professionals came in and did an amazing job. Joe and his wife helped pick out just the right vanity, knobs, countertop and flooring to match. They coordinated the carpenter, plumber, electrician and plaster. He kept in contact throughout the whole remodeling process. If you're looking to get an excellent remodeling at a reasonable price call Capertown Kitchens you will not be disappointed.

"I recently had the pleasure of working with Joe Perrone of Capertown Kitchens on my kitchen and dining room renovation. Joe was instrumental in carrying out this project from design to completion. He has an excellent crew of craftsmen that are professional, talented, and leave the worksite clean every day. Joe was responsive to any issues that came up and took care of them quickly and efficiently. My kitchen and dining room were completed on time and are beautiful!"
