\$49/MON

You start with charting at \$49/mon and then add features as you need them. What other software allows you to only pay for what you want?

JUST YOU AND PLANO CAN RUN YOUR LEASE PRACTICE

No really, you need to check Plano out. If you want, your lease can be completely automated. No more late nights and HR frustrations.

WARNING - You may be tempted to see more patients, Plano recommends that you use the extra time to live a little.
