

The iGen platform that is community built, managed and owned.
The world has changed forever, disruption is inevitable and we are looking for the best talent to partner with us through our unique equity participation program.

We are a young and disruptive organisation that seeks highly talented, like-minded co-creators to join our mission in delivering the future of the Internet.

UX Designers, UI Designers, Business Analysts, Content Producers, Growth Hackers.

4-8 weeks commitments from 10 hours a week upwards

BY JOINING OUR TEAM YOU WILL BE

- ▶ **Instrumental in disrupting the digital world and how the Internet is used.**
- ▶ **Part of a dynamic, ground-breaking team**
 - ▶ **Challenged and exhilarated**
 - ▶ **Create substantial value for yourself and your community**

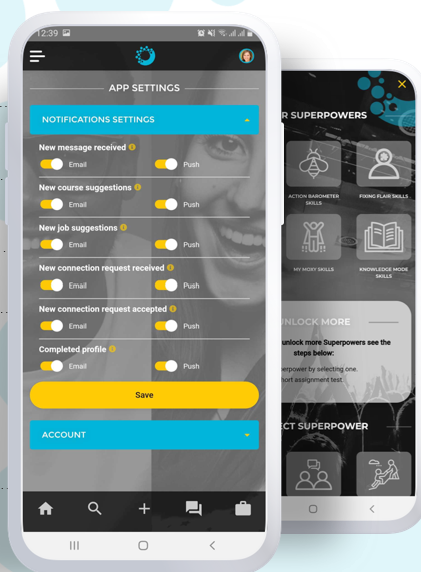

THE OXYGEAN COMMUNITY WHERE:

Users are paid for their data

Platform 100% owned by the users

Democratised Internet of the future is built

Decentralised Technologies are core

Global Equality and Fairness are enabled

Privacy and consent are a right

Individuals excel and are empowered by the community

Marketing and Advertising is re-imagined

powered by **HumanThink™**

A platform that safeguards and nurtures your success, democracy, community spirit, and online value.

Have you the skills, passion and vision to be part of our co-creation team? email us at community@oxygean.com
