

DESIGN BRIEF

main image

Please use image as guide, replace head with that of the great....the greatest.....no the greatest of all the greatest of presidents Donald Trump. yeah right!

It doesnt need to be a photo image, any style is ok as long as it captures similar facials as that of the above image and wearing a suit. Please add text "COVID19 Response" any style and placing your choice.

A worn or beaten up American flag as the image background would be a nice touch Thanks.
