- traditional, classy, simple, clear reference to golf
- must work at different sizes and resolutions
- there should be a colour version and a more simple two colour version e.g. Rolex colour scheme gold and dark green or the like

- in addition to golf it should reference Utrecht e.g. the Dom tower, the Utrecht city flag
"Rechtsgeschuind van rood en wit (Sint Maarten) and/or the "wapen van Utrecht"

Two simple sketch of my own

It should work on a tie if required. Here is a photo of my Woodsomehall golf club and Sheffield university ties from England.
