

## Current Package list:

### Feature Film packages:

Our feature film packages are the signature offering from our studio. These packages are all about storytelling. Our cinematography team will craft a one-of-a-kind film, carefully weaving all of the amazing images and heartfelt sound bytes that we capture at your event. This is wedding cinema at it's finest... a perfect combination of camera, sound, lighting and editing.

*All Feature Film packages include:*

- 3 Cinematographers for 10 hours (extra hours as needed can be discussed)
- Film Lighting package at reception (Introductions, First Dances & Toasts)  
*\*\*\*We will **never** annoy your guests with on-camera lights; our film style lighting will gracefully enhance your venue and special moments, and beautifully enrich your film and photos. (Not a substitute for DJ Lighting)*
- Dual system audio for superior sound quality
- Multi camera "Real Time" edits of Ceremony & Reception
- DVD/Blu-Ray or Digital delivery

### Pricing:

55 minute total run time w/ 10 minute feature film ~ 4,995\$

60 minute total run time w/ 15 minute feature film ~ 5,595\$

\*\*\*\*Total run time depends on length of "real time" edits, which will vary by event.

Average run time of these edits is 45 minutes.

## Core packages:

Our core packages are designed as the entryway to modern style wedding cinema. Both packages come with a "Featurette" style highlight edit, and supplemented with multi-camera "real time" edits of your wedding day.

*All Core packages include:*

- Dual system audio for pristine quality
- DVD or Blu-Ray (3) with standard cases and artwork

### Core Package 1: 2,995\$ (in-state only)

2 Cinematographers

Coverage beginning at ceremony through Cake Cutting (up to 8 hours)

3-5 minute highlight edit, cut to music

Ceremony, Reception and Party dancing real time edits

### Core Package 2: 3,995\$

3 Cinematographers

Coverage of Preparations through Cake Cutting (up to 10 hours)

3-5 minute "featurette" edit, cut to music

Ceremony, Reception and Party dancing real time edits

Additional Options:

*Instant Teaser ~ 200\$*

We will quickly edit some of your most beautiful images and display them on a loop at your reception. Displayed on our retina laptop, or on your venue/DJ screens as requested. Contains no audio, images only. Will be on display by reception start for most events!

*Same Day-Edit ~1,800\$*

We will create a 3-5 minute film ready to show no earlier than cake cutting, no later than end of reception. We do not provide display, must be provided by venue/DJ.

\*\*\*Available on packages with Bride & Groom Preparations only.

*Save-the-Date Film ~ Contact for Custom Quote*

We will create a 30-60 second film, letting you tell your short love story, and announce your engagement to the world!

*Rehearsal Party coverage ~ 900\$*

Two of our cinematographers will be there to capture some of the special moments from your rehearsal dinner, and intertwine some of the images and sound with your feature film. This option is ideal only when there will be special speeches during the party.

*Custom Designed Premium Discs & Case – 115\$ each*

*Digital Copies on Custom USB Drive – 95\$*
