## Products made in each state on illustration

## Different Products made in America illustration

The illustration depicts a vast collection of diverse, everyday items and materials scattered across a white background. These items include various types of paper (colored, patterned, and torn), small pieces of fabric, plastic fragments, and tiny mechanical or toy components. The arrangement is roughly circular, with the items radiating from the center. In the bottom-left corner, a small, stylized illustration shows a brown shopping bag with a circular logo and a person standing next to it, holding a small object.

## Different Products made in America illustration

A large, circular collage of various small, colorful objects and materials, including paper scraps, fabric pieces, and small toys, arranged in a circular pattern. In the bottom left corner, there is a small illustration of a shopping bag and a person.
