

Dr. Kusman's Vitamin B12 Cocktail's Essential Vitamins And Nutrients:

- **Thiamine** - is used by the body to metabolize food for energy and maintain proper health and nerve function.
- **Riboflavin** - acts as an antioxidant within the body. Riboflavin prevents free radical damage and protects skin and eye health.
- **Niacinamide** - helps maintain a healthy cardiovascular system and metabolism, brain function, healthy skin formation, and aids in the prevention of and management of diabetes.
- **Pryridoxine** - is important for brain development and keeping the nervous and immune systems healthy.
- **Hydroxocobalamin** - helps with DNA synthesis and supports replication. It also helps in the body's use of fats and carbohydrates for energy, and in the making of new proteins.
- **Methionine** - aids in tissue growth and repair, as well as promoting healthy hair, skin, and nails.
- **Inositol** - aids in the metabolic breakdown of fats, and helps reduce blood cholesterol.
- **L-carnitine** - helps convert fatty acids into energy.
- **Chromium** - helps move sugars from the blood system, and turn fats, carbs, and proteins into energy.

Overall Benefits:

- B12 helps aid in red blood cell formation and in DNA synthesis
- Aids in the healthy maintenance of the immune and nervous systems, and the optic nerve
- Helps improve skin tone, and strengthen nails and hair
- Boosts metabolism and energy (which may help reduce craving and encourage weight loss)
- Helps relieve cramping and bloating
- Improves memory (which may protect against Alzheimers)
- Enhances mood and lessens the effects of depression

Dr. Barry Kusman M.D., F.A.C.S.

As Founder and Medical Director of Facial Artistry & Aesthetics, Dr. Barry Kusman, M.D., F.A.C.S. has over 38 experience. Dr. Kusman's thorough knowledge of anatomy, artistic talent, and attention to detail enable his skillful and precise use of neuromodulators and fillers to minimize lines, wrinkles and volume loss of the face. Dr. Kusman customizes all treatments according to his patient's individual needs

and personally administers all treatments. His patients consistently experience exemplary results with the restoration of a natural and youthful appearance.

Dr. Kusman has been recognized by the International Association of Health Care Professionals as a Top Physician in Facial Rejuvenation and Aesthetics and spotlighted in the Leading Physicians of the World. He is a fellow of the American College of Surgeons. He is on the faculty at the University of Arizona, College of Medicine, and is a certified Medical Laser Technician and Laser Safety Officer. He was listed in the "Who's Who", in the State of Arizona.

Dr. Kusman is wholeheartedly committed to offering the highest quality care in a safe and compassionate environment. He continuously seeks and implements state of the art technology in his practice, and he and his highly trained staff regularly complete rigorous continuing education in the most current approaches to patient care and customer service.

Lyzette Medical Aesthetician/Laser Technician

After earning her cosmetology license from Regency Beauty Institute, Lyzette, a Tucson native, went on to become a certified medical aesthetician and laser technician. Her attention to detail, family-oriented demeanor, and maturity at age 19 landed her a salon management position which she held for six years.

A nature enthusiast, Lyzette appreciates the inherent beauty all around her. This recognition of natural beauty is what fuels her passion for her artistry and her devotion to improving her patients' natural beauty within themselves. Like nature, Lyzette flourishes on making people feel more confident as a result. Her depth of knowledge of our Revision® and SkinMedica® skin care products and procedures will ensure the best treatment and result available.

Additionally, Lyzette is certified in waxing, chemical peels, micro needling and micro dermabrasion, and continues to further her education in the field. With almost a decade of experience, you can rely on Lyzette to deliver personalized and reliable visible results.
