THE BOYS' BRIGADE IN SINGAPORE

THE FOUNDER'S AWARD

The Founder's Award is the highest and most honourable award a Boy can attain in the Seniors Programme.

Recipients of this award must have satisfied the following requirements:

- Attained the Senior Proficiency Award, which represents the recipients' completion of our Core Curriculum,
- Attained Proficiency Awards at the Advanced Level,
- Shown outstanding leadership abilities and character befitting that of a model BB Boy, and
- Recommended by the Company Captain and School.

I would like to thank all Officers and teachers who have tirelessly given their best to us, and I am especially grateful for their guidance. They always gave me the opportunity to carry out my own ideas after offering me their feedback and suggestions. They allowed me to make mistakes and to learn from them. It is through such mentorship that I am now more confident and have more initiative and experience. Following in the footsteps of my Officers and teachers, I have also guided my juniors the same way I was mentored, and I take great joy in nurturing them.

WO Teow Choon Ray
94th Singapore Company,
Nan Hua High School,
True Way Presbyterian Church
(English Congregation)

Choon Ray is an influential person who wins over others with his dedicated service and is able to rally everyone together to achieve their objective. He was always thorough in his thinking and actions. When given advice and suggestions, he was also willing to listen and would take them on readily. Our role, as mentors, was thus to guide him, to give him the wings and allow his ideas to take off.

Jonathan Tan
Captain,
94th Singapore Company

TESTIMONIALS

MENTORING QUOTES

In the beginning, I was very playful and did not put my heart into engaging in activities. As I progressed to a senior in the Company, I realised that I had to step up and began taking the initiative to learn. My Captain, Sir Kingston, taught me what it takes to lead and different ways to help out in the Company. He also fuelled my passion to serve in the Boys' Brigade, as he inspired me to do my best and to make my time count. Our Assistant Chaplain, Sir Barnabas, also taught us how to develop a positive winning attitude towards life.

I shall always hold these lessons very close to my heart.

WO Yeo Wei Ming
32nd Singapore Company,
Damai Secondary School,
Bedok Lutheran Church

Mentoring Wei Ming has always been enjoyable as he regularly asks for feedback and is open to criticism and change. He has put in a lot of effort during his time in the Seniors Programme which I believe has been a valuable experience for him. It has been a joy to journey with him and to be a part of his development, where he has grown from someone who had no direction to someone who sets a path for himself and strives to excel.

Acting Captain,
32nd Singapore Company

Boys and Officers

For joining us in today's event

And all those who have helped make this event possible.

The badges, ranks and even the **award** we receive today may become dusty and rusted over time. But these learning experiences and warm memories of camaraderie and friendships will stay with us as they have shaped and moulded us to the people that we are today. As we move on in life to other challenges and commitments, I would like to encourage my fellow Founder's Men to always be Sure and Stedfast, clinging on to our Anchor for strength, even in the gales and storms of life.
