

Here's the sample Trend Windows and Doors Label we used. You can opt to make a completely different look though

TREND

WINDOWS & DOORS

The logo features the word "TREND" in a large, bold, red sans-serif font. Below it is a horizontal bar composed of a red segment on the left and a dark green segment on the right, separated by a diagonal cut. Underneath this bar, the words "WINDOWS & DOORS" are written in a bold, black sans-serif font.
